Page 1

A signed copy of this amendment must be received by the Arizona Department of Education Contracts and Purchasing Unit as part of the offeror's proposal, or not later than the Solicitation due date and time.

1. Change Section 1, paragraph 8.A (1), Scope of Work, (REPORTING REQUIREMENTS) to read; "Assessment scores to examinees within four (4) weeks of assessments."

2. Add the following to Section 1 as paragraph 8.C;

"The Contractor agrees to propose methods by which score reports could be uploaded directly into the ADE certification database after each administration."

3. In reference to the question one interested party asked "if 10,000 referred to test takers or tests" (Section 1, paragraph 2.C, Scope of Work, PURPOSE FOR RFP). ADE needs to correct the answer that was given in the pre-proposal conference. *The correct answer is "10,000 refers to **test takers**, who may each take one or more assessments."*

4. In another question an interest party has asked, "Can you clarify what is meant by the term "standards" in Section 1, Scope of Work, 8. A. (4) Page 6?" ADE answers, this refers to the Professional Teaching and/or Administrative standards. The institutions want to know how well their programs are aligned with the professional teaching standards and therefore want to see how their students are performing "by standard."

EXCEPT AS PROVIDED HEREIN, ALL TERMS AND CONDITIONS OF THE SOLICITATION REMAIN UNCHANGED.
